As your treating physician and as a member of the Medical Staff of Hospital for Special Surgery (HSS), I would like you to know that I have financial relationships with the following orthopedics device companies, whose products I may use, or prescribe, for you in your care at HSS. The following will provide you with information about my financial relationships with these companies:

I am on the Scientific Advisory Board of Blue Belt Technologies and receive compensation for my time.

I am a consultant for Biomet and Stryker-MAKO for which I receive compensation for my time.

I do not receive any payments from this company for use of its products for your care at HSS or for the care of any other patients at HSS.

You should feel free to ask me any questions you may have about these financial interests. Cancellation Policy for Surgery

In an effort to serve our patients better we have instituted a cancellation policy for scheduled surgery dates.

Scheduling surgery is a time consuming and complicated process, and the office understands that it is very disruptive to patient's normal lives. Likewise, when surgery is indicated, the office invests a considerable amount of time and effort beforehand, to ensure that the day of surgery goes as smoothly as possible. Ahead of your surgery, the office commits many hours of work to ensure that all aspects of your care are prepared for- including, but not limited to: pre-certification and follow up with your insurance plan, coordination of your care with related caregivers (including other physicians when indicated, allied health professionals, and anesthesiologists), and post-operative care in the form of rehabilitation preparation.

From time to time, extenuating circumstances cause a surgery to be canceled. However, in situations when the patient electively cancels a procedure within 14 business days of the scheduled surgery, a non-refundable cancellation fee of $500 will be charged to the patient.

If your surgery is cancelled for a medical reason this charge does not apply.
Please keep this in mind when scheduling your surgery date.

I _____, have received and reviewed the surgery cancellation policy of Dr. Andrew D. Pearle. I hereby accept and agree to adhere to the above policy.

HOSPITAL FOR SPECIAL SURGERY

GENERAL CONSENT/ PERMISSION FOR TREATMENT FINANCIAL AGREEMENT

I authorize and consent to performance upon _____
(Insert "me" or Name of Patient)
by Hospital for Special Surgery (HSS) and its staff of such physical examinations, diagnostic imaging procedures (such as x-rays, CT scans, and/or magnetic resonance imaging (MRI)), laboratory tests, and other non-invasive diagnostic and therapeutic procedures and/or treatments, as my/the patient's physician or others on HSS's medical staff consider to be necessary or appropriate for the purpose of diagnostic and/or treatment of my/the patient's condition.

I understand that for each procedure/treatment the following will be explained to and discussed with me/the patient: the nature, intended purpose, anticipated benefits, material risks, and possible complications of such procedure/treatment; the alternative procedures/treatments if such procedure/treatment is not performed; and the probable consequences if such procedure/treatment or alternative procedures/treatments are not performed.

I give this consent with full knowledge and understanding that medicine is not an exact science, that there is the possibility that the procedure/treatment may not have the benefits or results intended, and that there are always risks and dangers to life and health associated generally with medical procedures and treatments that can cause adverse consequences not ordinarily anticipated in advance.

I consent to the diagnostic study by HSS of any blood, urine or other bodily fluids, stool specimens, or tissues that are obtained in the performance of such procedures/treatments, and to the disposal of such fluids/ specimens/tissues by HSS in accordance with its customary practice. I further grant permission for HSS to use such fluids/specimens/tissues for medical, scientific and/or educational purposes.

I consent to the photographing, videotaping, televising, or other observation of the procedures/treatments as HSS or its surgeon(s)/physician(s) may deem useful or appropriate for scientific and/or educational purposes, with the understanding that my/patient's identity will remain confidential.

I consent to the presence during the procedures/treatments of a visitor or visitors, which may include any visiting physician(s) and/or vendor representative(s) whose presence has been requested by the above named surgeon(s)/ physician(s). I understand that the visitor(s) will at all times be under the supervision and direction of the above named surgeon(s)/physician(s) and other HSS personnel, and subject to all relevant HSS policies and procedures.

I understand that information about me/the patient will be disclosed as required by applicable law, including reporting mandated by the federal, state and local governments to oversight agencies such as Centers for Disease Control and Prevention, the New York State Department of Health, and the New York City Department of Health and Mental Hygiene. Examples of such mandated reporting include reporting of suspected or confirmed communicable diseases, child abuse, firearm wounds, and certain knife wounds and burns.

For patients age 19 and older only: I consent to the submission of information about my/the patient's immunizations to the New York Statewide Immunization Information System (NYSIIS), the New York City Citywide Immunization Registry (CIR), and any other federal, state or local immunization registry. I

understand the purpose of these immunization registries is to assist in my/the patient's medical care and to record the immunizations that I/the patient have had or will receive in the future. My/the patient's immunization information may potentially be used by receiving agency for quality improvement purposes, epidemiologic research, and disease control purposes. Information used for quality improvement or any research purposes will have my/the patient's personal identifying information removed. The immunization information in the registry may be released to the following: me/the patient, my/the patient's health insurer, state and local health departments, the school that I/the patient am registered to attend, and authorized medical providers that deliver medical care to me/the patient. I understand that there will be no effect on my/the patient's treatment, payment, or enrollment for benefits if I choose not to participate in these registries. My consent may be withdrawn at any time by sending written notice to HSS to Attn.: Privacy Officer. Information about immunizations received by these registries with my consent will remain in these registries if I later choose to withdraw my consent. However, future immunizations will not be recorded in these registries.

I understand that HSS does not provide all of the medical services that I/the patient could ever possibly require, and that in the event I/the patient need treatment not provided by HSS during my/the patient's hospitalization at HSS, it may become necessary to transfer me/the patient to another hospital that provides the medical services required by me/the patient (including, for patients at HSS's main campus, New York-Presbyterian Hospital). I hereby consent to the transfer to such other hospital of me/the patient for such treatment when HSS determines that transfer is medically necessary or advisable.

I understand that HSS will electronically transmit prescriptions to my pharmacy (ePrescribing) as required by New York law. I also understand that in connection with ePrescribing, HSS and members of its Medical Staff will obtain medication history (information about the medications I/the patient are currently taking or have taken within the past year) for purposes of coordinating my/the patient's treatment. I hereby consent to ePrescribing by HSS and members of its Medical Staff, including obtaining my medication history and making it part of the HSS medical record.

FINANCIAL AGREEMENT

Assignment of Benefits

I assign, transfer and set over to HSS and members of its Medical Staff sufficient monies and/or benefits to which I may be entitled from government agencies, insurance carriers, and others who are financially liable for hospitalization and medical care of me/the above-named patient by HSS and its Medical Staff.

If I am entitled to Medicare benefits, I certify that the information given by me in applying for payment under Title XVII of the Social Security Act is correct. I understand that I am responsible for insurance deductibles on all services; 20% co-insurance on all ancillary services. I also understand that when Medicare is deemed that secondary insurance responsible for payment of my medical care, I will be financially classified under HSS's policies and will follow payment terms under said policies.

Authorization for Release of Information

I authorize and direct HSS and those members of its Medical Staff who have treated me/the above-named patient to release to government agencies, insurance carriers, and others who are financially liable for hospitalization and medical care of me/the above-named patient, all information needed to substantiate and obtain payment for such hospitalization and medical care, and to permit representatives thereof to examine and make copies of all records relating to such care and treatment.

Guarantee of Hospital Charges

I agree to be responsible for payment in full of the charges for all hospital services and other medical care rendered to me/the above-named patient for this period of care. I understand that even if I have/the patient has domestic or international health insurance coverage accepted by HSS, I will be responsible for payment in full of unpaid balances after insurance company payment to HSS, to the full extent permitted under federal, state and local laws. I understand that my responsibility also includes payment for charges not ordinarily covered by health insurance, such as private room charges.

Personal Property; Release of Liability

I understand that (i) I am solely responsible for any and all costs of items of personal property that I choose to keep with me and/or use while at HSS; (ii) HSS strongly recommends that I either send home or check with HSS Security Department all personal property of value to me, including but not limited to money, checks, jewelry, credit cards, and clothing; and (iii) any items of personal property that I leave behind after my discharge from HSS will not be HSS's responsibility; if HSS finds any items, they will be sent to the HSS Security Department (212-606-1207). I hereby release HSS and its medical staff members, employees and agents from any and all liability and claims arising from my keeping personal property with me while I am at HSS.

For Inpatients Only

Caregiver Designation

The New York State Caregiver Advise, Record and Enable Act, or CARE Act, provides that all inpatients who are 18 years old or older must be given the opportunity to designate a family member, friend, or other person to serve as a caregiver. The role of the designated caregiver is to assist with after-care tasks when the patient is discharged to the patient's home. Most often this will include information about the medications you will be taking at home, how you might need help in moving, with exercises or with managing pain, and information about your surgical site and appointments after discharge. The CARE Act requires that hospitals notify the designated caregiver of the expected discharge or transfer of the patient, and instruct the designated caregiver regarding after-care tasks that are part of the patient's discharge plan. A patient may change his/her designated caregiver(s) at any time.

_____ I do not consent to the release of my medical information by HSS and its staff to my designated caregiver(s).
(Initial)

I confirm that I have read and fully understand this General Consent/Permission for Treatment & Financial Agreement, that I have been given the opportunity to ask questions and have had my questions answered satisfactorily, and that I am eligible to give this consent and agreement. I further confirm that I understand that I have the right to revoke this consent, or any part of it, at any time during my/the patient's treatment by HSS.
